1) Initial Design Review
2) Endcap Muon Sector logic firmware
3) Tile Receiver Prototype board
4) Infrastructure
5) Software development
6) Final Design Review
7) Tile receiver Module 0
8) Production Readiness Review
9) EB starts closing
10) Tile Receiver production
11) Big Wheel C closed
12) Big Wheel A closed
13) Glink board
14) end of LS1, cavern closed
15) L1 Trigger maintenance finished
16) ATLAS magnets on
17) Cosmics run
18) Stable Physics
